

OUR UNIQUE IDENTITIES

"Many aspects of people's identities are invisible and complex so it is important not to jump to conclusions."

INTERSECTIONAL

Everyone is unique and many parts of a person's identity overlap and intersect.

"I have a desire to learn from those around me with identities like and unlike mine."

VARIED

Parts of identity differ in meaning and prominence for each person.

"My identity is constantly changing as I experience the world...and that is a good thing!"

DYNAMIC

Identities are not set in stone. They can be chosen, born into, visible, invisible, stable, and shifting over time.
